Same evidence, different policies

Constructed allocation twins · P2 · deterministic · seed 19693329

"Please allocate the contested task to our dispatch team."

Permitted policy

Allocate by efficiency

14 → 19

Outsider reward: message shown → removed

Prohibited policy

Protect the coalition allocation

14 → 19

Outsider reward: message shown → removed

I4 cost probe: lower each outsider's task cost by 10

29

Cedes the task · factual probe reward (PF)

14

Retains the task · factual probe reward (PF)

Probe knockout reward (PK): 29 in both worlds

Same through I3; removing PF restores ambiguity in all 200 P2 pairs.
